

Name _____ Date _____ Grade _____

WTN University - Professor David Fowler - Week 7 Quiz

1. Part of the reason economic conservatives who are social liberals or moderates hold that view is because they tend to see the individual as the fundamental building block of society. ___ True ___ False
2. According to the Bible, the state is the fundamental unit of society. ___ True ___ False
3. Liberals would tend to say that the family and marriage is a social construct that, like other values and institutions in society, evolves over time. ___ True ___ False
4. Historically in America, the family was seen as a part of the nature of things created by God, not society or government. ___ True ___ False.
5. There are only two theoretic foundations for law, God or man. ___ True ___ False
6. States used to have laws against sodomy, adultery, and fornication in order to encourage sex within marriage, marital fidelity, and provide familial stability for the children that husbands and wives produced. ___ True ___ False
7. Marbury v. Madison was the first case in which the United States Supreme Court articulated a right of privacy. ___ True ___ False
8. Our founding fathers believed that it was the Supreme Court's role to make sure state legislation was wise, otherwise the citizens of a state would have no remedy for getting rid of a bad state law. ___ True ___ False.
9. The United States Supreme Court has said that the marital couple is not an independent entity with a mind and heart of its own, but an association of two individuals. ___ True ___ False
10. In Planned Parenthood v. Danforth, a case in which the Supreme Court struck down a law requiring spousal consent to an abortion, said that the state did not have the power to give a spouse the right to consent. ___ True ___ False.
